CA 303d List Approval Letter and Enclosures draft jh edits 033018.docx

Thanks Terry. Here are my edits. I'm still confused on the number counts for the delist. Can you go over with me again? Thanks.

I'll try to schedule another quick briefing with Tomas on this. However, it would be good to have the language that CA intends to put in their letter. jh

Hi Janet, I incorporated all of Tom's comments. I think this is near final. You may want to review one more time, but I think it's good to go.
